COVENANT ARMORED CRUISER UPGRADE

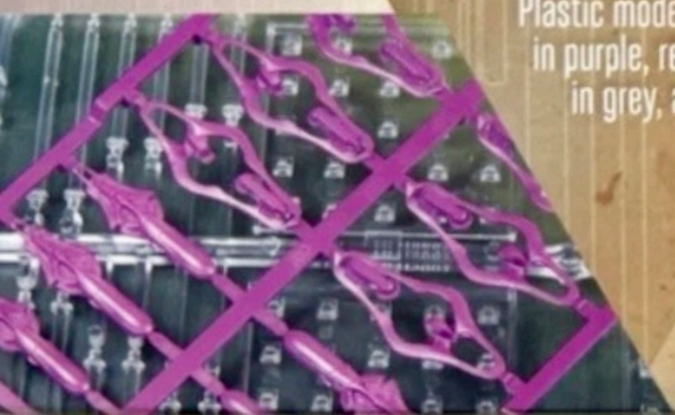
The contents of this boxed set can be used by Covenant players to expand their **Halo: Fleet Battles** force with additional firepower. This upgrade box contains four RCS-class Armored Cruisers and six SDV-class Heavy Corvettes, ready to join any Covenant fleet. RCS-class Armored Cruisers are efficient warships, able to lay down devastating weapons fire and deliver bombers and interceptors directly into the heart of a battle while the SDV-class Heavy Corvettes provide support. Also included in the box are Formation Bases and Ship Overlay Sheets for all models.

CONTAINS NEW FORMATIONS



Plastic models moulded in purple, resin models in grey, assembly is required
